

**Government Response: *The Renting Homes (Wales) Act 2016 (Amendment) Regulations 2022***

Technical Scrutiny point 1:

The Welsh Government agrees that section 256(5) of the Renting Homes (Wales) Act 2016 should be included in the italic text at the head of these Regulations and in the preamble. I am grateful to the Committee for raising this oversight. As the error is technical in nature, a corrected version will be used on making.
