

Chair of the Legislation, Justice and Constitution Committee

1 August 2022

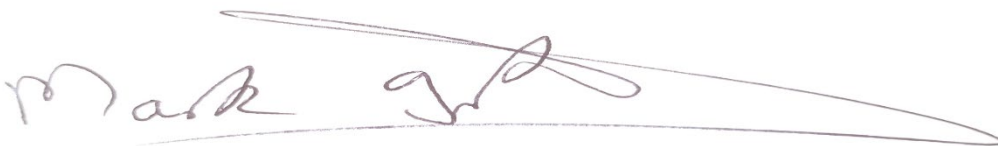

Dear Huw,

Legislative Consent Memorandum: The Procurement Bill

At its meeting held on 14 July 2022, the Public Accounts and Public Administration Committee considered its approach to scrutiny of the Legislative Consent Memorandum (LCM): The Procurement Bill. As you will be aware the Committee agreed to write jointly with the Legislation, Justice and Constitution Committee to the Minister for Finance and Local Government raising a number of queries about the LCM.

The Committee has also invited the Minister to discuss these queries further as part of an oral evidence session scheduled between 10am – 11am on Wednesday 21 September 2022. I am pleased to invite all Members of the Legislation, Justice and Constitution Committee to attend the session and would be grateful if you could confirm via the Clerks if you and other Members of your Committee will be able to attend.

Kind Regards,

Mark Isherwood MS
Committee Chair
