Dear Eluned

**Follow up on Fifth Senedd Health, Social Care and Sport Committee recommendations: Hepatitis C:  
Progress towards achieving elimination in Wales**

Thank you for your letter of 30 August 2022, providing an update on the recommendations made in the Fifth Senedd Health, Social Care and Sport Committee's report on progress towards achieving elimination of Hepatitis C.

I note from your response that it is your intention to set out your expectations including priority actions and targets for the NHS and Area Planning Boards in communications this autumn. The Committee would welcome sight of these communications, along with clarification of the planned timescale for the publication of the Liver disease quality statement.

I would be grateful for a response by 21 November 2022.

Yours sincerely

Russell George MS  
Chair, Health and Social Care Committee
