

# Stage 2: The Social Partnership and Public Procurement (Wales) Bill

## Order of consideration

### Purpose

1. To agree to vary the order of consideration for Stage 2 of the Social Partnership and Public Procurement (Wales) Bill.

### Order of consideration

2. The order of consideration is the order in which the sections and schedules of the Bill are arranged for the purpose of disposing of amendments. Standing Orders provide for a default order of consideration. This is the order in which the sections and schedules appear in the Bill. It is open to the Committee to vary the order of consideration if it wishes to do so.
3. The Bill contains 49 Sections and 2 Schedules. It is suggested that the Committee varies the order of consideration so that the Schedules are considered immediately after the Sections which introduce them. This would mean that the order of consideration would be: Sections 1 to 22; Schedule 1; Sections 23 to 24; Schedule 2; Sections 25 to 49; Long Title.

### Advice

Members are asked to consider and agree the proposed order of consideration.
