Public Accounts and Public Administration Committee Chair

6 February 2023

Dear Mark,

**The UK Government's Procurement Bill – supplementary legislative consent memoranda**

Thank you for your letter and the questions put forward relating to the Procurement Bill Legislative Consent Memoranda (LCM). I am pleased to provide my response below.

I will ensure you are copied into the response I send to the Chair of the Legislation, Justice and Constitution Committee.

The amendment included in LCM No. 4, and referred to in your letter dated 30 January, is likely to be removed by the UK Government during the committee stage. As a result, my officials did not need to consider the implications of this amendment any further.

Yours sincerely,
