Dear Jack,

Thank you for your further letter of 18 April regarding Petition P-06-1325 to Lower the speed limit on the A5 through Glasfryn.

The most recent speed limit review at Glasfryn was carried out in accordance with the current [Setting Local Speed Limits guidance](#) and was informed by all the available evidence at the time, including historical casualty and speed data.

As explained previously this review and the guidance itself, pre-dates [Llywybr Newydd:the Wales Transport Strategy 2021](#)

New setting local speed guidance is therefore currently being drafted, which should be available before the end of the year. The guidance will adopt a new approach which is fully aligned to the aims and objectives of the new transport policy which Councillor Ellis refers to.

Once the new guidance is available, my officials will make conducting a review of the speed limit on the A5 through Glasfryn a priority.

Yours sincerely,

Lee Waters AS/MS
