---

Year 6 (age 10-11)

Is four nights/five days the best length for a residential outdoor experience?

---

No

Please explain your answer and highlight any possible implications from having a standard approach of four night/five day experiences (whether positive or negative).

---

If you did shorter periods eg 3 nights, 4 days it may allow more children to experience a residential experience due to the budget.

Do you agree there is a need for legislation to ensure all children and young people are given an opportunity to access a residential outdoor education experience, at some stage during their school years?

---

Agree

Is there anything else you would like to say about this proposal?
