Dear Chair,

The Health Service Procurement (Wales) Bill – Stage 2 Government Amendment

Today I have tabled a Government Amendment for Stage 2 of the Health Service Procurement (Wales) Bill. The Purpose and Effect table (copy attached at **Annex A**) provides an explanation of the amendment.

The amendment is in response to Scrutiny Committee recommendations; in particular in response to Health and Social Care Committee recommendation 5 and Legislation, Justice and Constitution Committee recommendation 4. These two recommendations have been considered together, as both seek to place a duty to consult in relation to regulations made under s.10A(1) of the National Health Service (Wales) Act 2006 (to be introduced by section 3 of the Bill) on the face of the Bill.

In the General Principles debate on the 9 May and in the follow up correspondence to the Chairs of both Health and Social Care Committee and Legislation, Justice and Constitution Committee, I indicated that whilst we were unable to fully accept the suggested wording in the two recommendations, I was happy to accept in principle, both committees recommendations. As such, I have brought forward an amendment at Stage 2 which places a requirement on the face of the Bill for the Welsh Ministers to consult before making regulations under s.10A(1). The intention of the proposed Government amendment is to provide a middle-ground between the two recommendations proposed by both Committees.
