Dear Jayne,

Here is my [Annual Report on Curriculum Implementation](#) which I plan to publish on 1 July.

This report outlines our appraisal of the current position of reform; the actions we are taking to support schools and a forward look towards rollout. This report was a government commitment made during the passage of the Curriculum and Assessment (Wales) Act 2021 in the last Senedd. This process of annual reporting will now be the principal means through which we update the Senedd on curriculum implementation. I propose this report also forms the evidence paper in advance of my attendance at the Children, Young People and Education Committee on 14 July.

I would welcome the views of the Committee in due course regarding aspects of the reforms you would wish to see covered in detail in subsequent annual reports, particularly in the light of the Committee's ongoing scrutiny of curriculum implementation.

I am also sending copies of this letter to the Chairs of the Finance Committee and the Public Accounts and Public Administration Committee given their interest in ongoing resourcing for curriculum reform.

Yours sincerely
