Vaughan Gething MS
Minister for Economy

21 July 2023

Dear Vaughan

The Committee recently visited Ynys Môn. As part of this visit we heard about the impact the closure of the Road King HGV rest stop has had on Ynys Môn. Members heard about the impact that this closure has had on drivers, due to the substantial reduction of services for them on the island, and for the community as drivers were having to park up anywhere they could find space.

As you know, the Committee has previously made recommendations about provision of facilities for HGV drivers in Wales. Please can you update Members on the Government's progress with implementing the recommendations in the Committee's report – **A new direction for HGV Drivers**.

Kind regards,

Paul Davies MS

Chair: Economy, Trade and Rural Affairs Committee
