SCME231 Ymateb gan: | Response from: Debbie Wilkinson

Dear Sir, Madam

I just wanted to express my complete rejection to the idea of increasing the Senedd.

Given the unprecedented reduction in budgets to all the Welsh public departments announced recently and the clear under funding in both the health and education sector there can be absolutely no justification for increasing the cost of the Senedd.

If anything cost should be cut, members reduced and interference reduced.

This is yet another vanity project that does nothing to add value to the Welsh economy.

Kind regards

Debbie Wilkinson
