SCME235 Ymateb gan: | Response from: Mark Langdon

I strongly object to the expansion and extension of the number of ministers in the senydd

Obviously due to the overspend of the last financial year and the £800 million of nhs wales debt we can not afford it

If current ministers can not fulfil the duties required then maybe current ministers should resign and had back control to westminster

After the 20mph has upset so many welsh members (note petition) the senydd needs to listen to the public and stop all new expansion plans
It's not needed or wanted

Mark Langdon
