SCME251 Ymateb gan: | Response from: Tony Hall

In relation to the Application to increase Senedd members I do not consent and would object wholly to such an increase in members.

I do not agree and demand that: The Change the Senedd's electoral system so that all Members are elected via closed list proportional representation, with votes translated into seats via the D'Hondt formula to be stopped and opposed at every measure.

This Senedd Cymru members and elections Bill.
MUST NOT BE ALLOWED.
