SCME255 Ymateb gan: | Response from: Simon Rutherford

To whine it might concern.

As a member of public living in Wales I strongly object to the planned expansion of the Welsh Government number of members.

I want my objection to be formally registered.

I want much smaller government and object to Devolution in principle.

The change in speed limits to 20mph which I also object to is good reason to object to the Welsh government increasing the numbers of AM that we have to pay for as tax payers.

I demand that this be stopped.

Yours sincerely
Simon Rutherford
