SCME271 Ymateb gan: | Response from: Trevor Yates

I would to say one thing, make you bigger with more money needed to do it when money is in such short demand, Welsh NHS in Crisis, many councils running out of money and roads are a disgrace, no M4 relief road because of finances and the fiasco of the blanket 20 mph with upwards 35 million wasted and still rising, do you think this is a wise decision because I certainly don't, I will give you some free advice (get new advisors as yours have been plucked from the government instead of real hard working individuals who know what it's like to use public transport or drive a daily commute to our beautiful cities) so no to Reform
