SCME291 Ymateb gan: | Response from: Lyndsey Brooks

Dear Sir/Madam

Please accept this email as a objection to the Senedd reform bill

Wales is in a financial crisis, this bill will not increase accountability but it will increase massive costs to the Welsh population that we can ill afford

The Welsh government is no longer working for the people of wales but for themselves and its seems to have forgotten that it's their job to serve the Welsh residents

They rather spend money on vanity projects instead of giving vital resources to services, NHS, Educational, mental health, children services, infrastructure of towns and villages in fact everything in wales is suffering and that is down to the Labour government

We do not need anymore MS's at our expense!!

Thank you

Lyndsey Brooks
