SCME307 Ymateb gan: | Response from: Sandra and Christopher Poole

To the presiding officer

As a registered voter in ALL senedd elections, I wish to register my opposition of this intention based upon a number of reasons.

1... it has every intention of solidifying the position of the already strong Labour Party.

2...Austerity has to be a mainstay of ALL governments, especially as the Welsh population are also expected to practice expedience and the staggering costs involved in increasing the governance of the Welsh economy should not be ignored.

3... the vast majority of the Welsh voting public are against any increased interference in their day to day life.

4... the Welsh government has other more important issues to resolve without adding to costs without a serious resolution of OUR needs first.

5... To ignore the will of the voting public will only increase the anxiety for all including those already reliant upon the senedd for their livelihood.

Yours sincerely,

Mrs Sandra & Mr Christopher Poole
