I am writing to protest about the plan to recruit more members to the Senedd.

The members you already have have not been able to provide the appropriate level of decent services for the people of Wales .

Our education system is not fit for purpose, what other country has combined three science subjects ?Schools closing Friday afternoons to save money ,large classes, schools in special measures the list goes on .

The welsh health service is on its knees ,waiting times are ridiculous,A&E units overwhelmed ,it's useless trying to get a doctors appointment,Withybush hospital being constantly down graded and left to rot .

The farce that is Cardiff Airport,the faults here are too many to record.

Also the plan to implement diversification,employing 50%women ,of which trans women will be considered .Trans women will have had no experience of the needs of women ,pregnancy,childcare etc !Thus the women of the constituency they may represent will have no knowledgeable person to represent them !Totally unacceptable situation.

As to the 20MPH disaster space does not allow me to list the many reasons that it is so wrong .

If you are going to use taxpayers money to increase members of the senedd you will have the Welsh people up in arms against you .

Marilyn Molyneux
