### SCME318 Ymateb gan: | Response from: Simone Fox

---

Hi,

I oppose to having more people wasting tax payers money! Listen to the people of Wales as this is becoming a joke now and people are calling for an election due to the Welsh Labour Party turning Wales into a joke! People like myself working in front line positions living in unsuitable social housing! But never any money in Wales due to the WG being unable to control their own spending on things that actually matter and inability to have accountability. People living in Wales now feel they live under a dictatorship which is disgusting in 2023, my vote will be going elsewhere to a new party to make positive changes or I will work and live in England or Scotland.

Kind regards

Simone
