SCME320 Ymateb gan: | Response from: **Geoff Martin**

Good day

Are you serious about 50% uplift in the am's in the Senedd?

Are you not aware of the financial crisis you have created in the Welsh economy. To the point where public services have to be cut, police, NHS, transport, road policy, pot holes, public transport, holiday tax, 20mph speed limits are all a laughing stock of the whole of the UK.

which will create utter confusion come a general election.

We, as a Country, cannot afford the extra costs, especially during the current squeeze on the Welsh economy. Are you insane, or just a dictatorial institution and to hell with the electorate. Quote, ' we will get used to it' eh? Utter madness!!

Your comments and justification are invited.

Geoff Martin
