SCME329 Ymateb gan: | Response from: David Lewis

I totally disagree with this proposal. It is a vast waste of money at the time when there is a massive budget deficit in Wales due to mismanagement of the economy by the ruling party. It is also totally unnecessary.

The existing Senedd appears unable to act in the best interests of the residents of Wales and also disregards the opinions of its subjects anyway, as shown by the introduction of the default 20mph speed limits without proper consultation and its ignoring of the petition signed by over 465000 people against this measure.

Please consign this plan to the scrap heap, where it belongs.

David Lewis
