SCME333 Ymateb gan: | Response from: Marie Mclean

I thoroughly object to increasing the numbers in the senedd. .especially while you are making cuts all round. This is not the time to increase numbers.

I object to visa type cards for members to spend what they want on it ,Without scrutiny.

I object to the 20 mph. With out proper public consultation. You used emotive language to change the way the public voted.

The public are absolutely out raged at this. It is going to be an absolute labour wipe out in Wales in the next elections. This has gone ahead without consultations with the bus companies . Which is costing them time and money. For carers and nurses in the community and other similar jobs.

It is causing more emissions .our fuel for our cars is costing a lot more. Plus, damage to our cars as they are made to go much slower than a car is designed to do.

I am a lifelong labour supporter. I won't be voting labour again under these current proposals that you want.

Mrs Marie McLean
