SCME345 Ymateb gan: | Response from: David Price

Here you are spending money again which should be used for better purposes for enriching the lives of the Welsh. This is another money enterprise for a waste of taxpayer money and the Senydd is in a bad financial position. So much money has been wasted on projects that have not happened or have been changed ?A

Senydd that does not listen to the people of Wales is in a sorry state. It appears I will change my views over time like one tells a child but I can assure you there will be accountability at the next ballot box!

Can you please add up these lost monies and make them more public.
