SCME347 Ymateb gan: | Response from: Mal Evans

I wish to strongly object to the proposal to dramatically increase the number of Senedd members. The huge additional cost of members salary, expenses, support staff additional buildings space, maintenance costs of the additional space is madness at a time when there is already a shortfall in finances. It is sickening to see OUR money being wasted in this way at a time when there are patients waiting up to 28 hours in an ambulance outside hospitals waiting for a bed to become available. Where are the government's priorities?

I also strongly object to the changes which result in people not being able to vote directly for their member. Is this what Welsh Labour calls democracy?

I am someone who voted Labour at the last Senedd election. I will NEVER vote Labour again. This is a decision that has been also arrived at by all my family and ALL my many friends.

LABOUR ARE FINISHED IN WALES!

REGARDS

Mal Evans
