SCME355 Ymateb gan: | Response from: Mark Cox

Dear sir/madam members,

This reform bill is totally unjustified as the current members of the senedd do not represent the people of my beloved Wales. You have failed miserably in improving the lives of people in our country since devolution was introduced.

The change in the proposed voting system is totally unfair as I wish to vote for my preferred candidate NOT the person you pick for me, that's NOT democratic to say the least. Finally we do not need more members in the senedd to continue to fail the people of Wales in all that you do.

Regards

Mr Cox
