SCME356 Ymateb gan: | Response from: Annette Berry

I will keep this brief ,I am not very happy with devolution due to way it has implemented policies the that are too the detriment of Wales. I personally feel the amount of money wasted on assembly members could be better spent on improving Wales and it's essential services . I really feel that to add another 36 Senedd member is adding insult to injury when the country is in such a mess due to wastage and vanity projects that the government seem so keen on . I am totally against another 36 members being added . Too me you ignore your Constituents concerns and push through policies that are not needed. I think the Senedd should be abolished ,
Annette Berry
