SCME357 Ymateb gan: | Response from: Janice Neale

Dear Sir

I object to your proposal of electing more senedd members. It is a waste of tax payers money. The senedd already has to make cuts because of millions in shortfall so why are you proposing to use lots of money on creating new members and therefore you are depriving the NHS and other vital services of that money. What matters is people's health and quality of living and not having more members! Please put the Welsh public first instead of making more members.

Yours sincerely

Janice Neale
