**SCME359 Ymateb gan: | Response from: Andy Rudge**

To whom it may concern.

As a 61 year old Welshman I object most strongly to the proposed expansion of the Sennedd.

It is astonishing to me that while Welsh people are struggling to hold their heads above water from high fuel prices and costs of living increases.

You, the representatives are actually considering expanding an already bloated Sennedd at our expenses.

Anyone who votes for it should hang their heads in shame.

How dare you squander our money like that.

You are supposed to be our representatives then act like it and economise. Spend money where it's needed and not waste our money on lining the pockets of more AMs.

Sincerely

Andy Rudge
