SCME365 Ymateb gan: | Response from: Paul Hutin

Please register my objection to the proposed Sennedd Reform Bill, as to increase the number of members would be a total abuse of public money, which could be directed to other services I.E Health, schools and Public Services, which you are cutting back due to mis management of budgets.

Also, where is this purposed money coming from, it will cost us millions more every year, and totally unwanted by the Welsh public.

We have no requirement and no appetite for this bill to be passed.

Please take my views into account before your final decision.

Yours sincerely

Paul Hutin
