SCME402 Ymateb gan: | Response from: Tracy Raddon

Dear Sir/Madam,

I, as most of the population of Wales, totally disagree with the proposal for 36 new Senedd members.

It is a disgusting waste of money when the population of Wales are struggling to support themselves. The money should be spent on the NHS instead. The Welsh NHS is on its knees! People are storing in ambulances for up to 24 hours then, in the case of Morriston Hospital in Swansea, being put into a chair in a small room with 30+ other ill patients for up to 3 days! This happened to my elderly father recently. Ambulances are taking hours to turn up to emergency calls.

Why is more not being done?

£33m has been wasted on introducing a 20mph speed limit which is totally unwanted by the people of Wales, the ones you are supposed to serve!

The Welsh Government needs to be more accessible and accountable to the Welsh population that it serves, not less.

All current members should be voted in by the public, not behind closed doors.

Welsh Labour have ruined this beautiful Country and will be voted out at the next election due to the fact they DO NOT LISTEN to its constituents and just do as they want.

Regards

Mrs Tracey Raddon
