SCME404 Ymateb gan: | Response from: Michelle Robins

Whom ever it concerns I would just like to make a point on not extending the sennedd at the moment Wales is experiencing a very difficult time with the cost of living crisis & the situation within the Welsh NHS so I believe that the monies that would go to these extra members would be better spent on sorting out the situation Wales finds itself in & not wasting it on more members that will not help Wales in the least as we have more than enough members as it is!
