SCME429 Ymateb gan: | Response from: Mark Harvey

I wish to complain in the strongest terms about the Senedd's plan to expand its membership. At a time when the country is experiencing significant hardship, how can it be possible to justify the additional expense of more Senedd members, the restructuring of the building and employment of additional administrations teams to additional Senedd members.

The Senedd should be focusing its efforts on fiscal management to reduce its expenditure rather than expanding on its loss making vanity projects.

A pointless waste of money on expanding a group of people that will do nothing but damage the cause of industry and drive businesses away!

Regards

Mark Harvey
