SCME436 Ymateb gan: | Response from: Mr. S. Williams

To the Senate.

Please take this email to record my absolute objection to increasing the number of MS's in the Senate.

Given the current financial situation in Wales due to inept management by the ruling coalition, this is the last thing that should be being discussed and tabled for introduction.

I also fully object to the proposed change in the voting system, which has been designed to ensure that the current coalition remains in power.

Mr. S. Williams
