Pwnc | Subject: Evidence to the Llywydd Committee on the Electoral Commission's financial estimates 2024/25

Dear Elan,

Thank you for your response to our letter of 8 November. The Committee is pleased to be able to agree your revised estimate, and is grateful for the swift turnaround.

The Committee does, however, express concern that £62k of the identified reductions has been brought about by an incorrect allocation of funding for senior advisor posts. This is a substantial error and we would like assurances that there are no similar errors in the rest of the Estimate.

Yours sincerely

David Rees MS

Chair, Llywydd's Committee
