Bil Cyllid Llywodraeth Leol (Cymru)

Local Government Finance (Wales) Bill

Dear Sir / Madam,

My husband & I are very concerned to read in this weeks western Telegraph that news about Council Tax, Road closures, planning applications etc. will no longer have to be published if the new Bill being discussed by the Welsh Government is passed. We believe that Clause 20 could seriously harm our local newspaper. As we depend on our newspapers for local information (we do not use mobile phones) it would be difficult for us to keep up to date with any changes. We are both over 80 years old & do not use the internet either. We would prefer that our names are not used for any reason.
