Dear Jack,

Thank you for your letter of 19 February enclosing petition P-06-1408 regarding safe access for both pedestrians and vehicles to the Secret Garden from the A4042 Goytre Fawr from Janet Elizabeth Butler.

Following the implementation of a 50mph speed limit on the A4042 link past the Secret Garden, options have been explored, at preliminary stage, to improve the safety for the travelling public around the point of access.

Investigations have recently taken place to ensure these options are deliverable in terms of the land take required for the associated junction improvements that include active travel provision. We expect to receive the draft feasibility report imminently.

Subject to a favourable review at this feasibility stage and the availability of funding, the scheme would then progress to detailed design during the 2024/25 financial year.

Yours sincerely
