Trefnydd

21 February 2024

Dear Lesley,

Consideration of proposals for Sustainable Farming Scheme

I thought it would be helpful to notify you that the Climate Change, Environment and Infrastructure Committee has agreed to undertake work on the proposed Sustainable Farming Scheme (SFS) insofar as it relates to the Committee's remit.

The Committee intends to complete evidence gathering by the end of March, with a view to reporting in May. I trust this will provide sufficient time for you to take account of the Committee's recommendations before finalising the SFS.

We do not anticipate inviting you to give evidence at this stage, but should this change I will ask the Clerking team to contact your office.

I am copying this letter to Julie James MS, Minister for Climate Change, and Paul Davies MS, Chair of the Economy, Trade and Rural Affairs Committee.

Regards,

Llyr Gruffydd MS,
Chair, Climate Change, Environment and Infrastructure Committee
