Dear Russell,

Petition P-06-1404 Increase clarity and rights for people on direct payments or WILG to live independently

The Petitions Committee considered this petition at our meeting on 18 March. The committee noted that legislation on Social Care is expected to be introduced after Easter. It was agreed to write to your Committee to raise awareness of the issues outlined in the petition and the role they could play in addressing the bill.

The full details of the Committee's consideration of the petition, including the correspondence and the actions agreed by the Committee can be found here:

I would be grateful if you could send your response by e-mail to the clerking team at [petitions@senedd.wales](mailto:petitions@senedd.wales).

Yours sincerely
