Dear Chairs,

This letter is to inform you that, in accordance with Standing Order 30A, I have laid a Statutory Instrument Consent Memorandum in the Senedd in respect of the following UK Statutory Instrument:

Energy Act 2023 (Consequential Amendments) Regulations 2024

The link to the Statutory Instrument Consent Memorandum can be found [here](#):

I consider the Regulations to be a relevant statutory instrument because they make provision in relation to Wales amending primary legislation, namely the Environment (Wales) Act 2016, within the legislative competence of the Senedd and which is not an incidental, consequential, transitional, transitory, supplementary or savings provision relating to matters that are not within the legislative competence of the Senedd.

These regulations are made under section 330 of the Energy Act 2023. You will be aware that these are powers the Senedd did not consent to. Notwithstanding that, now that these provisions are on the statute book we are committed to ensuring they are exercised responsibly.

I have released a written statement, which you can access [here](#).

Yours sincerely,

Jeremy Miles AS/MS
