Dear Derek

Ahead of the forthcoming scrutiny session with the Equality and Social Justice Committee on 3 June, we would be grateful if you could provide some initial information in writing on the following:

- Your priorities for your term as Future Generations Commissioner, including the process you went through to reach them;
- Any changes you made to staffing structures and ways of working of your office since your appointment;
- Whether you have developed any objectives and/or key performance indicators, as recommended by the Committee in our pre-appointment report; and
- How your office is working with the Welsh Government, including whether and how this relationship may have changed since you took up your post.

I look forward to hearing from you and to meeting you in person in June for the scrutiny session. I would be grateful for a response at your earliest convenience and no later than 15 May. Should you have any queries please liaise with the Clerking Team directly to confirm logistics for the meeting.

Yours sincerely,
