Annwyl Mike

Firstly, may I congratulate you on your appointment as chair of the Legislation, Justice and Constitutional Committee.

I wrote to your predecessor regarding my concerns about HM Prison Parc – concerns which I am sure you share. I have attached a copy of the original letter which I sent to Sarah Murphy MS in her capacity as chair.

In light of recent and ongoing events, I would like to re-emphasise the urgency of G4S' appearing to face the scrutiny of and answer questions from the Committee. I hope you can consider this possibility at the earliest juncture.

Diolch
