(we would be grateful if you could keep your answer to around 500 words)

If you did that it's not nhs and it's a lot without nhs care and some need it.

6. What are your views on Part 3 of the Bill (sections 27-30) which contains a number of general provisions, including in relation to regulations, interpretation, consequential and transitional provisions, and coming into force provisions

(we would be grateful if you could keep your answer to around 500 words)

I not sure I no my adult son is struggling being under 25 and saying they preparing him to be independent that's great but when support services are workers not from companies they set a say to come do some cooking with them but never turn up. Specify when I to pay for my support they actual need to help me cook for life! And it could ash with no set time. Needs to be got on top of if you traitor keep young ones independent. But far to many still acutely at home at can not get on housing less I reach 55 and get out my house in a retirement place too big for a one person for a house!

Implementation and impact of the Bill

7. Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

(we would be grateful if you could keep your answer to around 500 words)

Well I would a swer if I understood more. You need more easy read stuff for users and disabled to have a say
