Dear colleague,

Consultation on amendments to the Joint Fisheries Statement

The Economy, Trade and Rural Affairs Committee is currently considering the Welsh Government's consultation on amendments to Annex A of the Joint Fisheries Statement (JFS), with a view to responding before the end of November.

We appreciate that you may already be working on a response to the consultation from your organisation, however we would like to invite you to share any general views on the changes proposed, which we could consider in preparing our own response. We would be grateful to receive any such views by 8 November if possible.

We look forward to hearing from you.

Yours sincerely,

Paul Davies MS

Chair: Economy, Trade and Rural Affairs Committee

We welcome correspondence in Welsh or English.
