Dear Ali,

**Follow up to meeting of 14 November 2024**

Thank you for giving evidence to our Foundational Economy inquiry on 14 November. It was an interesting session and Members found it very useful.

In consideration of the evidence session, Members identified one area of the discussion they would appreciate further detail on, if you are able to provide this.

We would therefore like to request any further information you could supply on the academic selection process which led to Cardiff University choosing Grangetown as the area of Cardiff to form a relationship with, beyond that which was discussed in the session.

If possible, I would be grateful if you could give us a written response to this request by 20 December.

Thank you again for your time and support with this inquiry.

Kind regards,

Paul Davies MS

Chair: Economy, Trade and Rural Affairs Committee
