

Future Senedd Committee

Summary of meeting held on 15 January 2025

1. Committee members considered a paper on the organisation of Plenary business and shared a range of views on this. The Committee suggested that further thought should be given to the following themes:
 - Plenary debates and questions
 - Questions to Welsh Ministers;
 - Government legislation;
 - Plenary days;
 - Timetabling.
2. Committee members continued their discussions on Standing Order thresholds and agreed to give final consideration to these matters at a future meeting once an output has been drafted and responses to all correspondence has been received.
