## **Distribution of sports funding in Wales**

Dear Brian,

At our meeting on 14 May we considered correspondence from the Chair of Wales Rugby League raising concerns about the inequitable distribution of sports funding in Wales, particularly the underfunding of Rugby League in comparison to other sports' governing bodies, such as Rugby Union.

We would be grateful if you could explain how funding is allocated to each sport's governing body and the rationale for allocations. We also ask that you publish all funding allocations to national governing bodies so that they are publicly available.

Yours sincerely,

We welcome correspondence in Welsh or English.
