Dear Carolyn,

Thank you for your letter of 3 April regarding Petition P-06-1475 Urgently improve the safety of the A458, Middletown, Powys in light of continuous dangerous driving.

The study is anticipated to be completed this financial year, and further design work will depend on the outcomes of the study and funding available. Once the study is completed, we will consult with the petitioner, community council and affected landowners.

It is not possible to commit to a timeframe for implementing measures before we know the outcome of the study. However, any measures identified will be implemented as soon as practically possible, subject to the availability of funding.

Yours sincerely,

**Ken Skates AS/MS**
