

P-06-1389 Introduce a 30mph limit on the trunk road through the villages of Eglwys Fach and Ffwrnais

This petition was submitted by Catherine Ruth Stevenson, having collected a total of 419 signatures.

Text of Petition:

Many residential areas in Wales now benefit from a 20mph speed limit, with a strong evidence based rationale from Welsh Government. We do not feel it is safe that our villages of Eglwys Fach & Ffwrnais still suffer a 40mph limit. For over 30 years we have been campaigning for safer pedestrian access in these villages, with 2 fatalities during that time. We want Welsh Government to review the 40mph limits through the villages to enable residents to walk safely and improve well being.

Additional Information:

The villages sit along the main A487. The majority of the road has no pavement so our residents, including children and young people catching school buses, residents visiting neighbours or attending events, older villagers catching the bus, all have to walk ON the main A487. In some places there is insufficient room for 2 cars to pass on the road so motorists have to slow down to a halt to avoid these walkers.

The rationale of the Welsh Government for the 20mph limits through residential areas is: "The evidence from around the world is very clear – decreasing speeds will reduce collisions, save lives and reduce injuries – helping to improve quality of life and make our streets and local communities safer for all."

Given the evidence we feel strongly that the speed limit through the villages of Eglwys Fach & Ffwrnais should be reviewed and reduced from 40mph.
