Chair, Equality & Social Justice Committee
Senedd Cymru

5 August 2025

Dear Jenny,

The Equality and Social Justice committee report *“Turning up the heat before 2160: time to pick up the pace on tackling fuel poverty”* includes a recommendation to update the data that informs estimates of fuel poverty and publish up-to-date fuel poverty estimates by September 2025.

In our reply to the committee, we indicated that the revised fuel poverty estimates were expected to be published in September. I can now confirm the headline summary results are scheduled for release on 7 August. I will issue a Written Statement following publication.

I will continue to provide updates as we make further progress on your recommendations.

Yours sincerely,

Jane Hutt AS/MS
