Dear Andrew,

At the General Scrutiny session I attended on 17 July I promised that I would follow up with further information relating to BTV-3 vaccinations and animal movements.

I can confirm that the vaccination numbers are for vaccinated animals and not for individual doses. The breakdown by animals is as outlined below as at 23 July 2025:

- Vets have reported vaccination of 154,260 animals (103,970 cattle, 48,904 sheep, 200 camelids, 1,186 goats).
- Animal keepers have reported vaccination of 79,694 animals (48,403 cattle, 30,898 sheep, 192 camelids, 201 goats).

Regarding animal movements, my officials are gathering the numbers and I will write back to you on this in due course.

Yours sincerely,

Huw Irranca-Davies AS/MS
